

# INN-TO-INN WALKING HOLIDAYS

## IF YOU'RE A SOLO TRAVELLER, WE CAN ASSIST

Ask us for a quote to do one of our inn-to-inn holidays accompanied by one of our guides.

## FINDING THE WAY IS EASY ON OUR SELF GUIDED TRIPS

We supply you with a very comprehensive information pack which contains easy-to-follow walk notes that guide you from point to point. No technical expertise is required so anyone who is active and in good health can enjoy an inn-to-inn walk. Your pack will also include information booklets on the flora, fauna, geology or history of the area, a waterproof map case and your insulated lunch bag.

## YOU DON'T NEED TO BE ABLE TO READ A MAP

We do provide them, but the walk notes are adequate on their own. You'll be given detailed maps with the walking routes highlighted.

## OUR INN-TO-INN TRIPS ARE INDIVIDUALLY GRADED

These trips have walk options built in along the way. As well as that, for each inn-to-inn trip we show you the percentage of walking that is easy, moderate and more challenging so that you can compare the grading of each trip.

**EASY**

Well formed tracks without steep sections or rough terrain.

**MODERATE**

Some ups and downs, including some sections of steps, usually well formed tracks with occasional rough surfaces.

**MORE CHALLENGING**

Might include steep or sustained uphill or downhill sections, longer sections of steps, soft sand or rough.
